

Elderberry Brides... helping to make those important choices easier

There are few days in most people's lives that are as important or as memorable as their wedding day.

Along with the celebration and joy comes months of planning and, in

particular, the need to make those really important decisions about choice of wedding dress and accessories.

At Elderberry Brides, we understand just how important your wedding day is and we firmly believe that making those choices should be a highly pleasurable experience.

We pride ourselves on our expertise and offer a personalised service that's second to none.

Add to that a terrific choice of gowns and accessories - from sizes UK 8 to UK 32 in store -

as well as our in-house alteration service and you have a one-stop shop for all your bridal needs.
